

# Fawn

## Printed Photos

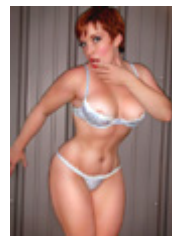

---

This is the ONLY place, worldwide, these photo prints are available for sale.

To keep his rendering skills sharp, Mike attends a monthly nude drawing session. Fawn was the model one evening and Mike was immediately charmed by her unique look and her posing skills. "Fawn, being a wee bit on the rolley-poley side didn't fit my usual buff template for Jamesgirls, but she had an undeniable je ne sais quoi." says Mike. He adored her pixie-like face and short haircut, it fit her youngish-looking body beautifully. They set up an impromptu photoshoot and she turned out to be a fantastic model. Remarkably, these first 10 pictures were ALL taken within 5 hours, on a "first-time" shoot! Imagine then, what one of Mike's 3-day shoots with Fawn would produce?
